BUSINESS EXPERIENCE

2021 - Present **TEDX TREICHVILLE, Abidjan, Côte d'Ivoire**
Event Organizer
- Organised a TEDx event with 10+ speakers and 500 guests around the theme of "(RE)SOURCES'"
- Negotiated Sponsorships with Deloitte, Société Générale, SIFCA Group, Yeshi Group and PFO Group and reached €30k fundraising goal
- Managed a team of 10 volunteers and increased volunteer productivity by creating networking and career opportunities
- Led weekly progress report meetings with the volunteers to assess the developments in each sector (speaker coaching, attendee experience, stage and design, budget...) and prepared future tasks

2020 - 2020 **AFRICINVEST GROUP, Abidjan, Côte d'Ivoire**
Private Equity Financial Analyst
- Applied valuation models for two capital increases in portfolio companies (hospitality and transport sectors) and participated in daily meetings to find the correct hypotheses as a basis of the models
- Controlled the coherence of the 2019 financial statements for three portfolio companies
- Presented screening memorandums, deal flow drafts and investment proposals for five target companies
- Assessed the impact of Covid-19 on African PE sector and performed weekly reporting of the situation's evolution (sanitary, economic, sectorial and regional)

2019 - 2019 **PFO GROUP, Abidjan, Côte d'Ivoire**
Financial Analyst
- Developed the group's diversification strategy in 4 months with a team of four interns
- Identified 18 comparable companies in Europe, Africa, and emerging countries to analyse possible strategies and split the country-risk analysis by continent across the team
- Found 8 potential sectors where diversification is possible (mining, hospitality, construction materials...)
- Presented the diversification project during a 30 minute meeting to the Group's CEO and subsidiary managers

---
